

## **TEREX CRANE**

Topline Terex RT230 Crane offers class-leading boom tip height and exceptional manoeuvrability. These features are integrated with advanced hydraulics and electronics to provide the operator with unmatched ease-of-use and productivity.

### **Features:**

- 30 Ton maximum lifting capacity
- 94 ft full power mechanically synchronized boom
- Three mode steering

\*Crane load ratings are based on;

1. Crane being levelled and standing on a firm, uniform supporting surface.
2. All outrigger beams being fully extended or in the case of partial extension ratings mechanically pinned in the appropriate position, and the tires free of the supporting surface.
3. Appropriate inflation pressure and the tire conditions.
